REGIONE PIEMONTE

Piter Alpimed Project

Period: **January 2018 and October 2022**

Lead partner: Métropole Nice

Partners: **30 Franco-Italian partners including local authorities, consular chambers, protected areas and research centres**

Objectives:

- **sustainable tourism**
- **territorial and business innovation**
- **climate change**
- **sustainable mobility**

Towards the European Charter for Sustainable Tourism

Parallel to the path towards the Climate Change Adaptation Strategy, a series of meetings was held to discuss tourism, with particular reference to the **European Charter for Sustainable Tourism** (CETS)

Four meetings

- **A postcard from the Park:** towards a shared vision of the territory
- **European horizons and local perspectives:** designing our sustainable tourism
- **The ideas workshop:** building the first concrete proposals
- **Teamwork:** networks and alliances to win the game of sustainable tourism

Development of **CYCL TOURISM**
